INTRODUCTION

Arbrit Safety is a highly accredited and globally recognized safety training and consultancy group aiming to improve the level of safety at your workplace, train qualified working professionals and improve their overall contribution to their organizations. At Arbrit, a strong social focus and treating associates with respect, trust and honesty has been the guiding factors for our success. Our safety training professionals and consultants are amongst the best in their fields who persistently go all-out to provide the highest quality services and commitment to ensure that all regulatory standards of health and safety are met.

Established in 2006, Arbrit Safety Training and Consultancy L.L.C aims to establish itself as the leader in providing innovating solutions to health and safety courses and training services.

OUR THREE PORTFOLIOS

TRAINING AND CONSULTANCY

Provide all types of bespoke safety trainings and Consultancy services that are required across all types of industries.

THIRD PARTY INSPECTION AND CERTIFICATION SERVICES

Arbrit Safety are among the leading third party inspection and certification services provider with full LEEA Membership in the GCC

CONTRACT STAFFING

Staffing of HSE officers, site engineers, medical nurses etc. on short term and long term contracts for all type of projects

HSE TRAINING

Our Training division is one of the leaders in the GCC for providing the most articulate solutions to the ever evolving workplace health, safety and environment needs to ensure a safe and secure organization. We ensure every single client of ours enjoys the benefits of our comprehensive training and consultancy services that are combined with innovative and advanced technical solutions specifically designed to cater each client's requirements.

INTERNATIONAL / NATIONAL
ACCREDITED TRAININGS

FLEXIBLE & QUICK
AVAILABILITY

EXPERIENCED
TRAINERS

The HSE courses are designed to meet the minimum expectations for contractor staffs to be trained to an international standard on a set of basic skills.

Our courses clearly reflect the need for practical, hands-on content, where applicable, as well as offering either refresher or advanced options, with a practical update.

LEEA

The Lifting Equipment Engineers Association (LEEA) is established across the world as the leading trade association for all those involved in the lifting industry. Arbrit Safety is one of GCC's LEEA full member and top service provider for LEEA certified training programs. Reach out to us to learn more about the course and available training dates.

- ✓ APPOINTED PERSON
- ✓ CRANE SUPERVISOR
- ✓ RIGGING AND LIFTING

IOSH (INSTITUTION OF OCCUPATIONAL SAFETY AND HEALTH)

IOSH stands for the Institution of Occupational Safety and Health. Based in the UK, but with members around the globe, it's a not-for-profit organization. It is also the Chartered body for health and safety professionals; aiming to raise standards and regulate the professional standards in occupational safety and health. Arbit Safety provides IOSH training programs both in house and on site as required.

Reach out to us to learn more about the course and available training dates.
